Adjustable Height & 3-Stage Arms

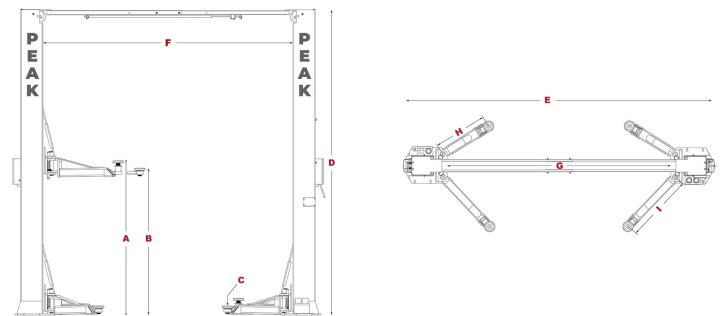

The 209C 9,000-lb. capacity 2-post lift features a direct-drive hydraulic system, adjustable height, clear-floor design and 4 three-stage arms, making this the perfect lift to accommodate a wide range of vehicles.

Features

- 9,000-lb. lifting capacity
- 4 Three-stage arms allow servicing a wider variety of vehicles
- Dual hydraulic cylinders with high quality oil seals
- 3/8" aircraft quality cables
- Self-lubricating UHMW polyethylene sliders and bronze bushings
- Single-point safety release
- Adjustable Height
- Clearfloor design provides unobstructed floor space
- Automatic arm restraints
- Stackable adapters 1.5", 2.5" & 5"
- Optional height & width extensions available

Front and Rear
3-Stage Telescoping Arms
